## PERSONAL EXPLANATION

Mrs. NAPOLITANO. Mr. Speaker, I was absent during rollcall votes No. 328, No. 329, and No. 330 due to my spouse's health situation in California. Had I been present, I would have voted "yea" on H. Res. 397—Solemnly reaffirming the commitment of the United States to the North Atlantic Treaty Organization's principle of collective defense as enumerated in Article 5 of the North Atlantic Treaty. I would have also voted "yea" on H.R. 497—Santa Ana River Wash Plan Land Exchange Act. I would have also voted "yea" on H.R. 220—To authorize the expansion of an existing hydroelectric project, and for other purposes.

REMOVAL OF NAME OF MEMBER  
AS COSPONSOR OF H.R. 60

Mr. MEADOWS. Mr. Speaker, I ask unanimous consent that my name be removed as a cosponsor for H.R. 60.

The SPEAKER pro tempore (Mr. GALLAGHER). Is there objection to the request of the gentleman from North Carolina?

There was no objection.

## HONORING FRANK KUSH

(Mr. BIGGS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BIGGS. Mr. Speaker, I rise today to honor the life of a legendary Arizonan, Frank Kush, who passed away last week at age 88.

Frank is best known for his career as coach of the Arizona State University Sun Devils football program. He won 176 games over 21½ seasons, the most ever in Sun Devil history. He was named national Coach of the Year after the 1975 season and was elected to the College Football Hall of Fame in 1995.

Coach Frank Kush was not only concerned with wins and losses, he was a mentor for young men and ensured that their professional and academic development rose above their athletic prowess. Coach Kush influenced hundreds of young men during his career at Arizona State. His impact is ever-present in the lives of his former players, and his legacy will never be forgotten.

## TRUMPCARE

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, today a number of us were able to go to the children's hospital here in Washington, D.C., and met two miraculous families, children with complex, chronic diseases. With the love of their parents, one could not tell they were different from any other child, yet they had horrific and difficult medical conditions.

Those parents were middle class working families, and said that, with-

out Medicaid, the half a million dollars of healthcare that keeps those beautiful children alive and leads them to a pathway of a life of love would not be possible.

I am glad that the Senate TrumpCare bill has been stopped in its tracks, the same bill that the CBO has said will cause 49 million Americans to lose their insurance in 2026.

There is no pathway to reform this bill. There is no White House meeting, no Presidential cajoling and shooting deals back and forth. These are lives of Americans, and as long as it takes, we will fight to the end to stop the demolition of the Affordable Care Act, which most Americans, over 50 percent, want the Affordable Care Act.

Stop the foolishness.

CONGRATULATING THE NATIONAL  
AIR TRAFFIC CONTROLLERS ASSOCIATION

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise to congratulate the National Air Traffic Controllers Association, also known as NATCA, on its 30th anniversary.

Since its foundation, NATCA has worked to guide aviation policies and improve working conditions for its members with one goal in mind: to ensure that passengers arrive safely to our destinations.

I would also like to recognize three remarkable individuals—Billy, Jim, and Mitch—whom I have met through NATCA's advocacy efforts. These men are committed to public service, first through their service in our Armed Forces, and then later as air traffic controllers ensuring that Miami's skies remain safe for all. Though Mitch has now retired, I know that his contributions to our Nation have not stopped.

Mr. Speaker, I ask my colleagues to join me in congratulating NATCA and its members on 30 years of outstanding public service.

UKRAINE MILITARY OFFICIAL  
KILLED

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, I rise today as co-chair of the Ukrainian Caucus, and I will include in the RECORD an article reporting on an act of violence that has taken place in Ukraine.

Yesterday, a bomb exploded in the car of a high-ranking Ukrainian special forces official, Colonel Maksim Shapoval, in Kiev, in what Ukrainian authorities are calling an act of terrorism.

Shapoval's heroic unit fought in eastern Ukraine, where a conflict between Ukraine and Russia has been raging since 2014, with mainly citizens being
